DETAILED QUOTATION NOTICE

Item rate quotations (lump sum) are invited from reputed and experienced contractors for
“Auction for Dismantling & Demolition of Welcome-Arch near Government Rest House on Kopargaon-Kolhar Road at Nimgaon-Korhale..”

Owner:	Shri Saibaba Sansthan Trust, Shirdi.
Name of Work:	Auction for Dismantling & Demolition of Welcome-Arch near Government Rest House on Kopargaon-Kolhar Road at Nimgaon-Korhale.
Period of Completion:	7 days from the date of issue of work order (including monsoon season). Normally, no extension will be granted and compensation on account of delay in completion of work would be levied.
Cost of blank Quotation form:	Rs.590/- by DD in favor of Chief Executive Officer Shri Saibaba Sansthan Trust, Shirdi.
Earnest Money Deposit:	Rs.4,000/- by DD in favor of Chief Executive Officer Shri Saibaba Sansthan Trust, Shirdi. Earnest money in any other form than those prescribed above will not be accepted. Bidders who do not deposit earnest money in the above acceptable form shall be rejected. The EMD of unsuccessful bidders will be returned within 30 days from the conclusion of contract signing with successful bidders or within 30 days after expiry of Quotation validity whichever is earlier.
Total Bid Security:	10% of Contract value. The successful Contractor/Bidder shall have to pay 10% of the Contract amount as security deposit. The earnest money deposit paid by the bidder along with the submission of the Quotation shall be converted into bid security deposit. The bidder shall complete the contract documents within 7 days from date of receipt of Work Order by them, as acceptance of their Quotation, failing which their earnest money and the bid security deposit will be forfeited by Shri Saibaba Sansthan Trust, Shirdi.
Validity of the offer:	The offers submitted by bidders should be valid for 90 days from the last date of submission of the commercial bid and may be renewed or extended for further periods thereafter, until it is withdrawn in writing.

1. Quotation forms containing scope of work and specifications of work, conditions of contract and special conditions of contract are available on www.sai.org.in from 30/08/2021 from 11:00 AM onwards.
2. The last date for submission of Quotation with all necessary attested relevant documents is 13/09/2021 upto 05:00 PM. Sansthan reserves the right to extend the last date for submitting the bids, which will be informed to all the bidders.
No delay on account of any cause will be entertained for the late receipt of the Quotation.
3. Sansthan reserves the right to reject any or all the Quotations without assigning any reason thereof.
4. **Quotationing Procedure:**
Manner of Submission: Quotation has to be submitted offline.
Technical Bid:
The attested documents should be submitted on or before the date specified in the Quotation notice.
Commercial Bid:
The bidder shall quote their rates as per Bills of Quantities, at the appropriate place in quotation document. The bidder shall not quote this offer anywhere directly or indirectly. The bidder shall quote for the work as per details given in the main Quotation

and also based on the detailed set of conditions, clarifications issued and additional stipulations made by the Sansthan.

There will be no negotiations for this work. The bidders are instructed to quote competitive highest rates.

The Quotation document is being invited on lump sum basis for ease of administration and management.

This Quotation shall be unconditional. Conditional Quotations will be summarily rejected. If any alterations are made by the bidders in the Quotation documents, the Quotation may be liable for rejection.

The bidders should ensure that their Quotation is received by the Sansthan before the expiry of the date and time.

No delay on account of any cause will be entertained for the late receipt of the Quotation. Quotation bids offered or received after the expiry of the time and date for receiving the Quotation will not be accepted.

8. Opening of Quotation:

The Quotation documents will be opened at a place and on date and time to be decided later.

I. Technical Bid:

Technical bid of the quotation will be opened to verify its contents as per requirements and as per minimum qualifying criteria. If any of the contents contained in this envelope do not meet the requirement of Sansthan, a note will be recorded accordingly by the Quotation opening authority and Commercial bid of the said bidder will not be opened and their EMD will be returned by the Sansthan.

II. Commercial Bid:

This envelope shall be opened after opening of technical bid only if the contents of technical bid are found to be acceptable to the Sansthan.

Sansthan however reserves the right to reject any or all the Quotations without assigning any reasons whatsoever.

The bidder if firm or company, shall in their forwarding letter mention the names of all the partners of the firms or directors / members of the company (as case may be) and name of the person /partners /directors who holds the power of attorney if any, authorizing him to conduct business transaction on behalf of the bidder.

9. General:

No claims as regards want of information of any particular point or any change in rate or conditions after the opening of Quotation shall be entertained. Bidder shall be deemed to have full knowledge of all the relevant documents.

The bidder shall also have to give a declaration to the effect that they have fully studied the specifications, local conditions and availability of labour and material and that they have quoted their rates with the consideration of all these factors.

Right is reserved to revise or amend the contract documents prior to the date notified for the receipt of the Quotation and extend the date. Such deviations, amendments or extensions, if any, shall be communicated in form of corrigendum as may be considered suitable to all the bidders.

Bidder will be required to submit detailed work schedule to meet the target date of completion.

The successful bidder will be informed and Work Order will be issued by the Sansthan.

DECLARATION OF CONTRACTOR / BIDDER

I / We hereby declare that we have made ourselves thoroughly conversant with the local conditions regarding all equipment materials and labour required for the demolition works on which we have based our estimated rates for this work. The specifications of work, conditions of contract, drawings and bill of quantities of this work have been carefully studied and understood by us before submitting this Quotation. We undertake to use only best machineries and equipments approved by the Sansthan or their duly authorized person before starting the work and to abide by his decision. I have visited the site of the work and accordingly the rates are quoted. We will not use any explosives for demolition of the structures, all the works will be commenced by labours, machineries etc.

Contractor:

Full Name:

Address:

GENERAL CONDITIONS OF CONTRACT

STRUCTURES TO BE DEMOLISHED:

Sr. No.	Description	Type of Structure	No. of Floors
A	Welcome Arch	Structural Steel Work with FRP sheet Cladding Structural Steel – 13 MT	G

The quantity mentioned above is approximate and only indicative. **The interested bidders can inspect the structures on all working days, except Sundays, during office hours.**

1. The bidders shall demolish the complete structure including the foundation above the ground level, as per the instruction of the Engineer in-charge, dispose off the debris & other unserviceable material to the area to be defined by the bidder itself, with due permission of the local authorities, at their own cost.
2. After accounting the cost of demolition, disposal of debris & unserviceable materials as above, the bidders / bidders shall quote the maximum amount that can be offered / given to Sansthan for the serviceable materials (Cost which can be recovered from Sale / Reuse of serviceable material such as Reinforcement Steel, Debris, FRP Sheets and Structural Steel, Trusses etc.).
3. The entire work is to be completed in all respects **within 7 days** from the date of handing over the possession of the site. The work shall be commenced within 7 days from the date of acceptance letter / work order issued by Sansthan or the date of handing over of site whichever is later.
4. The time is the essence of the contract and shall be strictly observed by the contractor.
5. The intending bidders shall visit the site and make him thoroughly acquainted with the local site condition, nature and requirement of the works, facilities for transport, nature of labour and machinery required, access and storage for materials and removal of wastes. The bidder should quote taking into account all the site conditions including traffic restriction for transport etc., for proper execution of the work.
6. The successful bidder will not be entitled to any claim of compensation for difficulties faced or losses incurred on account of any site condition.
7. The acceptance of the Quotation will be with Sansthan which does not bind itself to accept the highest Quotation and reserves to itself the authority to reject any or all the Quotations without assigning any reason. All Quotations in which any of the prescribed conditions are not fulfilled or incomplete in any respect, are liable to be rejected. Canvassing in connection with Quotations are strictly prohibited. Quotations submitted by the contractors who resort to canvassing are liable for rejection.
8. The contractor shall ensure the safety requirements laid down by the local authority and / or National Building Code. The contractor shall be responsible and he should indemnify the Sansthan for all injury / death to the workmen, to persons, animals, things, or any other damage to the surrounding properties which may arise from the operations, carelessness, accident or neglect of himself or of any of his workmen.
9. The Security deposit will be paid back to the contractor after receiving the complete credit amount quoted for the serviceable material, only after all the demolition work is completed and all the debris are cleared from the site to the satisfaction of the Sansthan within the stipulated period. If the work is not completed in all respects within the time schedule mentioned above, the Sansthan will forfeit the security deposit and terminate the contract.
10. After successful completion of the work Sansthan shall refund to the successful contractor the security deposit.
11. The demolition work shall be proceeded with in such a way that :
 - a) It causes no damage to the adjoining building and properties
 - b) It satisfies all safety requirements to avoid any accidents.
 And nothing shall be paid on this account.

12. The bidder / contractor shall be fully responsible for the workers / staff engaged by them. They should be provided with adequate safety gears equipments, gadgets, and training, insurance, coverage. Relevant documents should be submitted during deployment.
13. **This is the lump sum auction bid invited for complete job work and includes all the cost required there in. The total amount of credit must be deposited with the Sansthan by the bidder at the time of acceptance of Work Order.**
14. This is a complete job of dismantling and demolition of the Welcome-Arch and including all the ancillary operations involved. i.e, the required materials, labour, machineries, tools and plants etc. for carrying out the demolishing work satisfactorily and safety. The dismantled obtained from the demolition will be bidders property and they will be free to take in away with him or dispose it. Land and external services are not included in this bid offer.
15. The Contractor in consultation with Sansthan shall take approval from the Police and other authorities all necessary that may be required by law & obtain all requisite permission for temporary obstructions, enclosure etc.
16. The work may be carried out in more than one shift or during night, no claim on his account shall be entertained. The contractor has to take permission from the police/ local authorities etc, if required for work during night hours, no claim/ hindrances on this account shall be considered if work is not allowed during night time.
17. The bidder shall study carefully, the specifications, schedule of quantities and conditions of the Quotation documents to fully appreciate the scope of the work before quoting his rates.
18. Safety Precautions and Emergencies:

18.1 Contractor's Responsibility for Safety:

The contractor shall be solely responsible notwithstanding any stipulation by Owner for initiating, maintaining and supervising all safety precautions and programmes, in connection with the work and shall comply with all laws, ordinances, code rules, regulations and lawful orders of any public authority having jurisdiction for the safety of persons or property or to protect them from damages, injury or loss during the entire contract period including non-working hours

On the occurrence of an accident arising out of the works which result in death or which is so serious as to be result in death, the contractor shall within one hour of such accident intimate in writing to the Owner the facts stating clearly and in sufficient details the circumstances of such accidents and subsequent action taken by him. All other accidents on the works involving injuries to the persons or property other than that of the contractor shall be promptly reported to the Owner clearly and in sufficient details the facts of such accidents and the action taken by the contractor.

In all cases, the contractor shall indemnify the Owner against all losses or damages, resulting directly or indirectly from the contractor's failure to report in the manner aforesaid. This included the penalties or fines, if any, payable by the Owner as a consequence of failure to give notice under workmen's compensation Act or otherwise to conform to the provisions of the said Act in regard to such accidents.

In the event of an accident in respect of which compensation may become payable by the contractor, such sum of money as may, in the opinion of the Owner, be sufficient to meet such liability. On the receipt of award from the Labour commissioner in regard to the quantum of compensation, the difference in the amount will be adjusted.

18.2 Warnings and barricades:

The contractor shall provide and maintain barricade, guards, guardrails, watchman, headlights and danger signals illuminated from sunset to sunrise, and all other necessary appliances and safeguards to protect the work, life, property, the public, excavations,

equipment and materials, barricades shall be of substantial construction and shall be painted such as to increase their visibility at night, for any accident arising out of the neglect of above instructions the contractor shall be bound to bear the expenses of defence of every suit, action or other legal proceedings, at law, that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay all damages and costs which may be awarded in any such suit action or proceedings to any such person or which may the consent of the contractor be paid in compromising any claim by any such person.

19. For any clarification / site inspection, the bidder should contact to Construction Dept. of Shri Saibaba Sansthan Trust, Shirdi at following address, phone and e-mail.
